3. Introduction to NPSO

PART 2 – QUESTIONS & DISCUSSION

4. Questions to prompt discussion

- **Access**
 - Transferwise recently opened a settlement account at the Bank of England, the first non-bank PSP.
 - Is this a sign of better access?
 - What are the current barriers for access?
 - What are the future opportunities within the new payments architecture?
 - **Increased Innovation**
 - How widely does Open Banking change the barriers to innovation?
 - What opportunities exist to deliver this and what are the current/emerging risks?
 - **Effective competition**
 - The NPA design will create a layered ecosystem and new future market for a wide range of payment services.
 - Do you think the future approach increases competition?
 - What are the challenges?
