

ASSIGNMENT OF NATIONAL (UK) CARD ISSUER IDENTIFICATION NUMBER

IMPORTANT INFORMATION REGARDING YOUR NUMBER ASSIGNMENT

This number is issued with the understanding that this issuer identifier will be used in accordance with the requirements of British Standard 7227: Procedures for the application of ISO 7812 to allocate UK issuer identification numbers (UK IINs) for use on identification cards. It should be understood that in assigning an issuer identifier number in response to your application, the UK Registration Authority is designating the assigned number as identifying the organisation specified as a card issuer as described in British Standard 7227.

The use of this number or any other number by a party which does not choose to comply with the provisions of this British Standard with or without the knowledge of the UK Registration Authority is beyond the control of the UK Registration Authority and, therefore, the UK Registration Authority cannot guarantee the sole and unique use of this number to your organisation.

The information published in the “Register of UK Card Issuer Identification Numbers” with regard to this assignment will be as given by the applicant on the application form.

In assigning an IIN, Pay.UK Limited is acting as agent for BSI (British Standards Institution) and the assignment, registration or publication of an IIN is not intended to signify, and should not be taken as in any way implying, that the person to whom such number is assigned has become or will become a member, associate member or agent of Pay.UK Limited and any of its members, associate members.

The operation of the UK Registration Authority is a non-profit making service to card issuers complying with this British Standard and its success depends, in part, on the cooperation of card issuers. The UK Registration Authority will not be held financially liable for errors in the registration, reservation or assignment of UK Issuer Identification Numbers or the publication of those numbers and the names and addresses of the parties to which they are assigned. The number is issued to you on condition that by using it in any way you thereby agree to indemnify the UK Registration Authority, its servants and agents, against any costs, expenses and damages which it may incur in any action, claim or proposed action either in the UK or overseas arising out of or in any way connected with the use or alleged use of this Issuer Identification Number.
