Please attach, to this application, a copy of a government-issued verification that the applicant is a legal entity and is approved to conduct business in the applicant's country.

Please identify the \*main industry of the applicant organization (check only one box):

Airline Entertainment Banking/Financial Healthcare

Merchandising/Retail Petroleum Travel Other (*Please describe*)

ISO/IEC 7812 Part 1 – the IIN is eight 8-digits in length. With respect to the card program you plan to implement, please check the one box below that **best** describes the card program you will be implementing.

This IIN will be used both domestically and/or internationally utilizing the infrastructure of the global and/or domestic networks and processors. The card transaction will occur during an interchange between two or more entities

This IIN will be used in a closed environment. It will not be utilized in the current infrastructure of global networks and processors. It will only be used in a single system and card holders may only use it in that single system. By checking this box, you may consider a "National" number which begins with your country's 3-digit numeric ISO code (begins with 9).

<sup>\*</sup> If the applicant is a telecommunications company, please refer to ISO/IEC 7812-1, Section 4.2.3. Please contact your Sponsoring Authority to determine IIN eligibility.

Name of applicant:

Effective January 2017 - ISO/IEC 7812-1 was revised to extend the length of the IIN from a fixed-length numeric of 6-digits to an 8-digit numeric value. This revision to the standard was formally published in January 2017.			

Please note: This Company has been assigned an 8-digit IIN. It is important to note that if you intend to

position starting with 01 through 99.

implement a card program using the first 6 digits, you are prohibited from using any numbers in the 7th and 8th
