## Bacs Approved Bureaux

Bacs is owned and operated by leading retail payments authority Pay.UK, the company also responsible for Faster Payments and the Image Clearing System, as well as related services such as the Current Account Switch Service, and many others.

The Bacs Payment System includes Direct Credit, widely used to pay salaries, benefits, dividends and supplier payments directly into bank accounts, and Direct Debit, which automates the collection of regular payments, the preferred payment method for many UK bill payments. Direct Debit payments are safeguarded by the Direct Debit Guarantee which protects payers in the event of an error in payment collection.

Over half of the organisations using the Bacs Payment System make their payment submissions through one of our Bacs Approved Bureaux (BAB) rather than submitting directly to the Bacs Payment System. Pay.UK reviews the appropriateness of each bureau to ensure they meet the required standards. Organisations approved under the Scheme may use the Bacs Approved Bureau logo.

This Directory contains an alphabetic listing of Bacs Approved Bureaux.

If you require further information relating to the Directory or the Bacs Approved Bureaux scheme, please contact [babs@wearepay.uk](mailto:babs@wearepay.uk).
